

Hey Kids--

It's time for

Vacation Bible School!!!!

That's right, we're "Kickin' It Old School"--with the "Go Fish Guys"! They're bringing a brand new, exciting program (even grown-ups will be singin' along!) to help us put on a retro 80's concert for the kids that will be FUN and will teach us a LOT about Jesus and the Bible!! The Go Fish Guys are 3 Dads who love the Lord and are committed to bringing kids back to the Bible through great music, games, skits and solid Bible teaching. **Check it out:** www.gofishguys.com

Here's their plan:

"Each day we will tackle an important concept in understanding what it means to be a Christian and about who God is. We feel that the more we understand the attributes of God, the more our need for him is clearly shown. Along with teaching kids the gospel, we want every participant to learn more about the Bible."
